Dear One Health Work Group,

Thank you for a productive call last week! Please see call notes attached for your review.

As I mentioned on the call, the next work group meeting will be in-person during the forum's closed morning session on Tuesday, December 12 in Washington DC. In the coming weeks, I will let you know the exact time (most likely between 11:00-11:45am ET) and will share meeting prep materials. For members who are unavailable to meet in-person in Washington DC, a teleconference line will be open. If you are an external (non-forum) member, please let me know whether you will join in-person, by teleconference, or not join at all.

As always, if you have any questions or concerns, please feel free to get in touch with me. Thank you for your continued interest and participation in the work group!

Best regards,  
Ayano
